

Midway RV Sales & Service, Inc.

WHY TO BUY LOCAL?

Why should I buy my New or used RV from a local dealer?

You want to buy from a company that will be there for you in the event you need service. Our relationship with you allows you to receive priority when that time comes. While we provide service for all customers, selling dealerships must service their personal customers first. Often others will get pushed to the end of the line. This can result in unsatisfactory delays, disappointment, & frustration.

This is the top source of regret for customers that believed they were getting a “better deal” by shopping three states over. The “wholesale” dealers know this. They know they will not have to be the ones to have to work with you after the sale is complete. It is often a “one & done” policy and they really don't care if you return. That's typically how “discounters” work. They are not looking to build a long term relationship with you, just grab your cash and send you on your way.

Your local dealer wants to build a relationship with it's customers. They want to provide you with service after the sale. Local RV dealers employ your friends & neighbors. Contribute to the local economy. Sponsors local charity events, little league & civic organizations.

Remember you local RV dealer is the one who will send out a repair man when you're stuck on the side of the road, or who will stay late to help you when you pull in 5 minutes to closing on your way to the campground and have no water, no heat or AC!!

Stick with your local dealer, we'll stick with you.

Leave the stress to us so you can rest!
